

# KILMORE TRACKSIDE CHARTER

We strive to be a leader within the local community and offer assistance wherever needed, underpinned by our values and behaviours. This support is driven by a passionate belief that we have a responsibility to support our communities' culture and opportunities, from sporting clubs, to education, not-for-profit organisations and employment. These smaller organisations and groups are led by passionate locals all working to a similar goal. Trackside's involvement in community is a fundamental part of who we are and who we will always be moving forward.

Kilmore Trackside is an inclusive, family friendly, relaxed venue with the highest standard of hospitality. We aim to create an environment where our patrons' satisfaction is our priority and we provide the highest standard of hospitality by execution of simple and classic offerings that cater to our entire community.

Covid-19 safe health and hygiene practices are implemented to ensure the safety of both our staff and patrons. All staff to be inducted and educated regarding Covid-19 policies, procedures and best practices. This instils confidence within the community that when they visit Trackside, the health and safety measures in place are of the highest standard.
