Trackside provides a variety of areas and spaces for your use. All rooms are private and allow guests to congregate without interruption from the general public.

Our rooms each have a private bar, which will be staffed at no extra cost, providing the option of running a bar tab or enabling your guests to purchase their own drinks within the confines of your private space.

For further information, or to discuss your personal requirements, Trackside's Function Coordinator is on hand to answer any queries and to walk you through your arrangements.

Normal room hire fees do not apply.
